

Dear Parent/Guardian,

Lemmon School District is committed to bringing unique learning opportunities to our students and we are pleased to introduce a new, free reading service providing digital books through OverDrive (Lemmon School District homepage ->library link->elementary school library or high school library-> overdrive ->use the "I have a set up code" at the bottom of the page. The code is [tiesd](#).) and Sora, the new student reading app.

Why OverDrive?

The OverDrive collection is an extension of Lemmon School District's physical library, only it's online with 24/7 access to ebooks and audiobooks. It's convenient for students to check out titles at home, on the weekends or during school breaks with no worry about misplacing a book or running up late fees – these digital titles automatically return at the end of the lending period!

OverDrive can help students of all ages read more and improve comprehension. Struggling or reluctant readers, learning-challenged, second language learners, and gifted readers can all benefit from this service.

- Enrich vocabulary and improve comprehension and pronunciation
- Introduce students to books above their reading level
- Teach critical listening
- Help busy kids find time to read
- [Incentivize reading with fun avatars and achievements in the Sora app](#)

How does it work?

To use OverDrive, students can browse our secure custom website or through the free Sora app, borrow with their state email address, and enjoy anytime, anywhere on a computer, tablet, smartphone or eReader.

Whether a student's interest lies in study guides, classics for required reading, or the latest popular juvenile or young adult fiction, they can find it all in the digital collection through OverDrive on the Lemmon School District homepage->library link->choose the link for the library that you have access to->select Overdrive.

Sincerely,

Delilah Heil

K-12 Librarian
